### **1. General**

The dataset “Strandasögur – Storytelling at the Edge of Civilisation: Mapping, Contextualisation, and Analysis of Landscape-related Storytelling Traditions in the Icelandic Westfjords” consists of two parts.

The main part of the data is publicly available at:

Egeler, Matthias und Jónsson, Jón und Fenske, Alisa und Sigfúsdóttir, Ester und Klose, Saskia: Public Data to: Storytelling at the Edge of Civilisation: Mapping, contextualisation, and analysis of landscape-related storytelling traditions in the Icelandic Westfjords. 2026. Open Data LMU. <https://doi.org/10.5282/ubm/data.792>

For reasons of research ethics, some supplementary data is not publicly available. This Data Use Agreement covers exclusively the restricted supplement to the above-mentioned dataset. It refers to data files that are not made publicly available and require specific authorization and compliance with the conditions outlined in this Data Use Agreement. The files and folders included in this category are listed below:

- archive\_protected\_encrypted.zip
- img\_protected\_encrypted.zip

In the sections that follow, this Data Use Agreement describes the terms and conditions governing access to and use of this data.

### **2. Permitted Data Use**

Use of all data is strictly limited to non-commercial scientific and academic research.

Use of all data for any commercial purposes is strictly prohibited.

Redistribution of all data is strictly prohibited.

Adaptation of all data is strictly prohibited.

This Data Use Agreement does not touch upon the rights of third parties cited in the dataset; any texts cited from third parties are governed by the pertinent copyright laws and permission to use any third-party materials has to be sought directly from the respective copyright holders.

### **3. Access and Redistribution**

Access to all data can be granted upon reasonable request; the right to grant or refuse access lies exclusively with Rannsóknasetur Háskóla Íslands á Ströndum – Þjóðfræðistofa. The approval, if it is granted, applies solely for the person who requested the data. The transfer, reproduction or publication of the data to third parties is prohibited without express written consent of the authors.

### **4. Data Handling and Responsible Use**

Users undertake to treat all data as strictly confidential, not to pass it on to third parties and to comply with all applicable data protection laws. Users are expected to uphold the principles of scientific integrity and responsible data use as well as the highest standards in research ethics as defined by the EU commission's 'Guidelines for Research Ethics in Ethnography/Anthropology' (Iphofen, n.d.), the statement on ethics and professional responsibility of the American Folklore Society (<https://www.afsnet.org/page/Ethics>), the 'Frankfurt Declaration' of the German Anthropological Association (<https://en.dgska.de/ethics/>) and statements on ethics and data management of the Société Internationale d'Ethnologie et de Folklore ([https://www.siefhome.org/downloads/publications/statements/SIEF\\_StatementDataManagement.pdf](https://www.siefhome.org/downloads/publications/statements/SIEF_StatementDataManagement.pdf)).

Misuse of all data, misrepresentation of findings, unethical research practices or non-compliance with this agreement are strictly prohibited and may result in public notification and retraction requests.

### **5. Conditions for Scientific Use and Publication**

Any use of the data intended for publication or dissemination requires the mention of the creators in an appropriate manner:
